Purpose of the Bursary

Bursaries of up to £500 are available to contribute towards the costs of attending the Osteoporosis Conference 2016 (7th-9th Nov 2016). The bursary is intended to contribute towards registration fees, standard travel costs and accommodation.

Eligibility Criteria

Applications are invited from scientists and clinical researchers who fulfil the following criteria:

- Are involved in research at a university, postgraduate institute, medical school or NHS trust in the UK and other British Islands.
- Are a National Osteoporosis Society Professional Member (N.B. A membership application can accompany the award application).
- Employees of pharmaceutical or commercial companies are not eligible for a bursary.

Note: Priority will be given to those who submit an abstract to the conference.

Application Requirements and Conditions

Applicants would be required to submit a completed application form which states why they should be considered for a bursary award and provides a budget breakdown for the total cost requested. (NB: Costs will only be paid on submission of receipts).

Recipients will be required to co-operate in media publicity relating to the bursary, which could include photos, quotes, inclusion in an article in our quarterly membership magazine Osteoporosis News, social media etc.
